

# Network Pro Remanufactured Workstation Quote

this quote)

We use only quality name-brand components such as Intel and AMD processors, Gigabyte Motherboards, Crucial RAM, and Seagate or Western Digital drives, so when we remanufacture PCs that we sold in the past, you KNOW that you're getting quality components, and reliable PCs.

**Our remanufactured sales are of limited quantity, please call or email to check availability.**

Additional parts and prices are available upon request. On-site installation typically requires 2 hours of on-site labor. (not included in

Remanufactured PCs include a 90-day parts and labor warranty. Some remanufactured/used PCs may show signs of wear and tear on their external chassis parts.
